ASSEMBLY

This term's theme is about moving from a Fixed Mindset to a Growth Mindset — working at improving and developing our intelligence and talents. In order to achieve a Growth Mindset we need to:

1. Celebrate effort
2. Embrace challenges
3. Value mistakes
4. Apply flexible thinking
5. Make use of Peer learning
6. Self-reflection

KARRI APP

Please use the app to pay for all activities.
Our aim is to become a cashless school.

PLEASE

- Ensure your child arrives at school before 7:30am. Too many late children on a daily basis
- Ensure your child is not left standing on our pavement after school or after their extra mural activity for more than 15mins. It is not safe!
- Ensure your child attends school every day — too many absent children on a daily basis
- Ensure your child takes part in extra mural activities
- At our Weltevreden entrance — drop and go in the morning. Not necessary for parents to get out of vehicles and walk their children to the gate.**
- At our Acacia exit — please park at an angle so that we can fit in more vehicles. Do not double park — you obstruct the flow of traffic. Do not block our neighbours driveways please.**
- At our Taaibos gate — please park against the school pavement so that 2 lanes of traffic can move down the road towards the robot**
- Do not speak to a child, unless they are in the company of their parents

SCHOOL FEES

PLEASE PARENTS — ENSURE YOUR CHILD'S SCHOOL FEES ARE UP TO DATE. We are in August!!!!

We are a fee paying school and we rely on your fees to ensure that our learners receive the best education possible. Please ensure all school fees for January, February, March, April, May and June have been paid.

Ms Nimita Reddy is following up on school fees and is calling from contact no. 031 816 6892

A large number of families are already in arrears, please make paying your fees a priority and contact Mrs Ngwenya to set up a payment plan.

EXTRA MURAL PROGRAMME

Our extra mural programme is up and running.

Children are to go home directly after school or directly after their extra mural.

FP children waiting for older siblings are to go to the Library and complete their homework and not waste time on the pavement.
